Dear Ms. Wong,

A Note of Thanks and Survey on Admission to Universities of Form 6 Graduates (2014-2015)

Our school has just completed a survey on University Offers. We trust that you may be interested in knowing the whereabouts of some of your former students.

The University and Study Programme being attended by 2 former students of yours are as follows:

Year of Graduation (Primary School): 2009

<u>Name of Students</u>	<u>University</u>	<u>Study Programme</u>
Kwok Hiu Ying 郭曉瑩	PolyU	BSc (Hons) in Nursing
Wong Mei Shan 王美珊	PolyU	BSc (Hons) in Food Safety and Technology

The success of the above-mentioned students owe a great deal to their own effort, but an equally important factor is the nurturing obtained in primary school where many of the study habits and social skills are formed.

Lastly, we very much hope that the ties forged between your school and ours through former students of both will continue to foster to benefit more youngsters in the years ahead.

Yours sincerely,

(Wong Chun Shing)

Principal
